

The logo

The red bar and the word Rentletter, drawn as one. Keep clear space the height of the R on every side.

Clear space: the height of the R, on every side.

Size and ground

The logo is never smaller than 80px wide on screen. The mark is never smaller than 16px.

Minimum size

Logo: 80px wide.
Mark: 16px.

One colour print uses mono ink. Never set the primary on a ground it does not read on.

Which version on which ground

Paper: the primary.

White: the primary.

Ink: the reversed.

Red or a dark photo: mono white.

The app marks

Two square marks share one drawing: the stripe and the R. The ground tells the two apps apart.

Realtor

The app realtors add to the Home Screen. Also the favicon and every realtor page.

Admin

The founder admin app. Never on a realtor, tenant or landlord page.

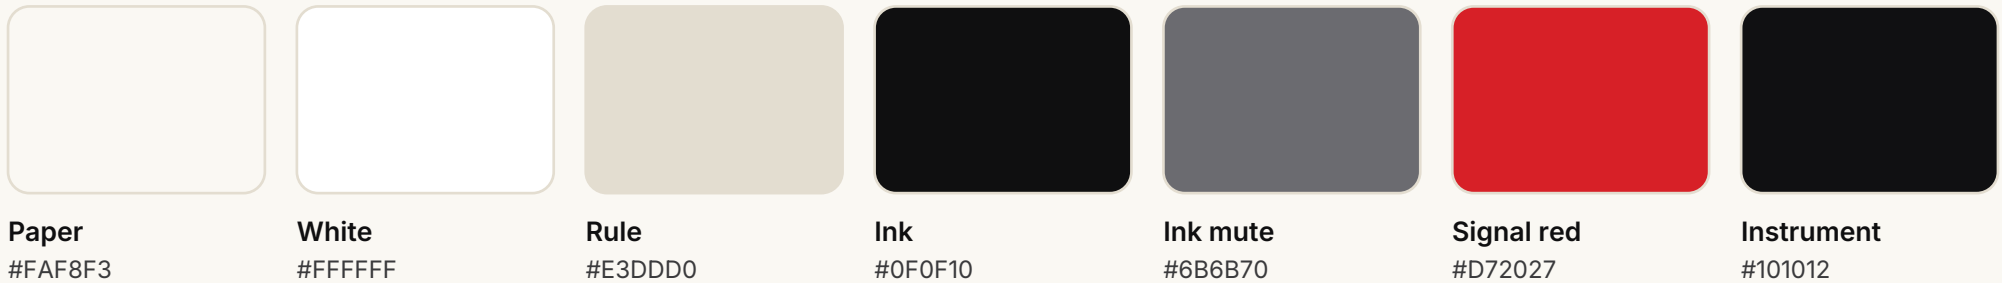

Bare marks and inverted grounds

Inverted marks sit on grounds that match the main colour. Bare marks go where a square will not fit.

Colour and type

Paper and ink carry the page. Red is the signal: the bar, and one primary action on a screen.

Fraunces

Display lines at 28, 22 and 18. Weight 600.

Inter

Text at 16 and 14, labels at 11. Weights 400 to 700.
